

Boreal Interpreter

Job Type: Full time

Term: May 2nd to October 31st, 2022 (with possibility of extension)

Wage: \$19-\$22/hr depending on experience

The Lesser Slave Lake Bird Observatory and education partner, the Lesser Slave Forest Education Society, are looking for a creative individual to develop and deliver fun, hands-on, environmental education programming about boreal forest ecology for audiences of all ages. Working as member of our team, you will be responsible for delivering education programs to school groups during our busy spring and fall fieldtrip season. You will also help to develop new lesson plans for K-12 on boreal forest ecology themes. During the summer months you will assist in the development and delivery of education programs for a wide range of audiences including summer day camp participants, families, tourists and seniors. In addition, you will provide support to visitor information services and retail operations at the Boreal Centre for Bird Conservation.

For more information on our programs, visit www.lsfes.org and www.lslbo.org websites or check our Facebook pages.

The Boreal Centre for Bird Conservation is located 18 km north of Slave Lake, Alberta in Lesser Slave Lake Provincial Park. On-site rental accommodation is available.

Requirements:

- ✓ Minimum of 2 year of post-secondary education in natural sciences or education
- ✓ Experience working with children, especially in an outdoor setting
- ✓ Strong written and verbal communication skills
- ✓ Valid Class 5 driver's license with access to a reliable vehicle. Travel is required
- ✓ Standard First Aid and CPR Certificate prior to commencement
- ✓ Criminal Record Check (Including a vulnerable sector check) prior to commencement
- ✓ Able to work some weekends and evenings
- ✓ Successful candidate will be required to show proof of COVID-19 vaccination (QR code) prior to commencement, provide negative PCR or rapid tests 72 hours prior to the start of your work shifts at employee expense, or an approved exemption prior to commencement.

Assets:

- ✓ Knowledge of boreal forest ecology including birds and bird identification
- ✓ Volunteer experience
- ✓ Strong knowledge of Microsoft Office
- ✓ Excellent presentation skills

How to apply:

Please send your resume and cover letter to: Lesser Slave Lake Bird Observatory, Box 1076, Slave Lake, Alberta, T0G 2A0 or email info@borealbirdcentre.ca

Application deadline is February 22nd, 2022.
